

Make IT easy!

Round table discussion

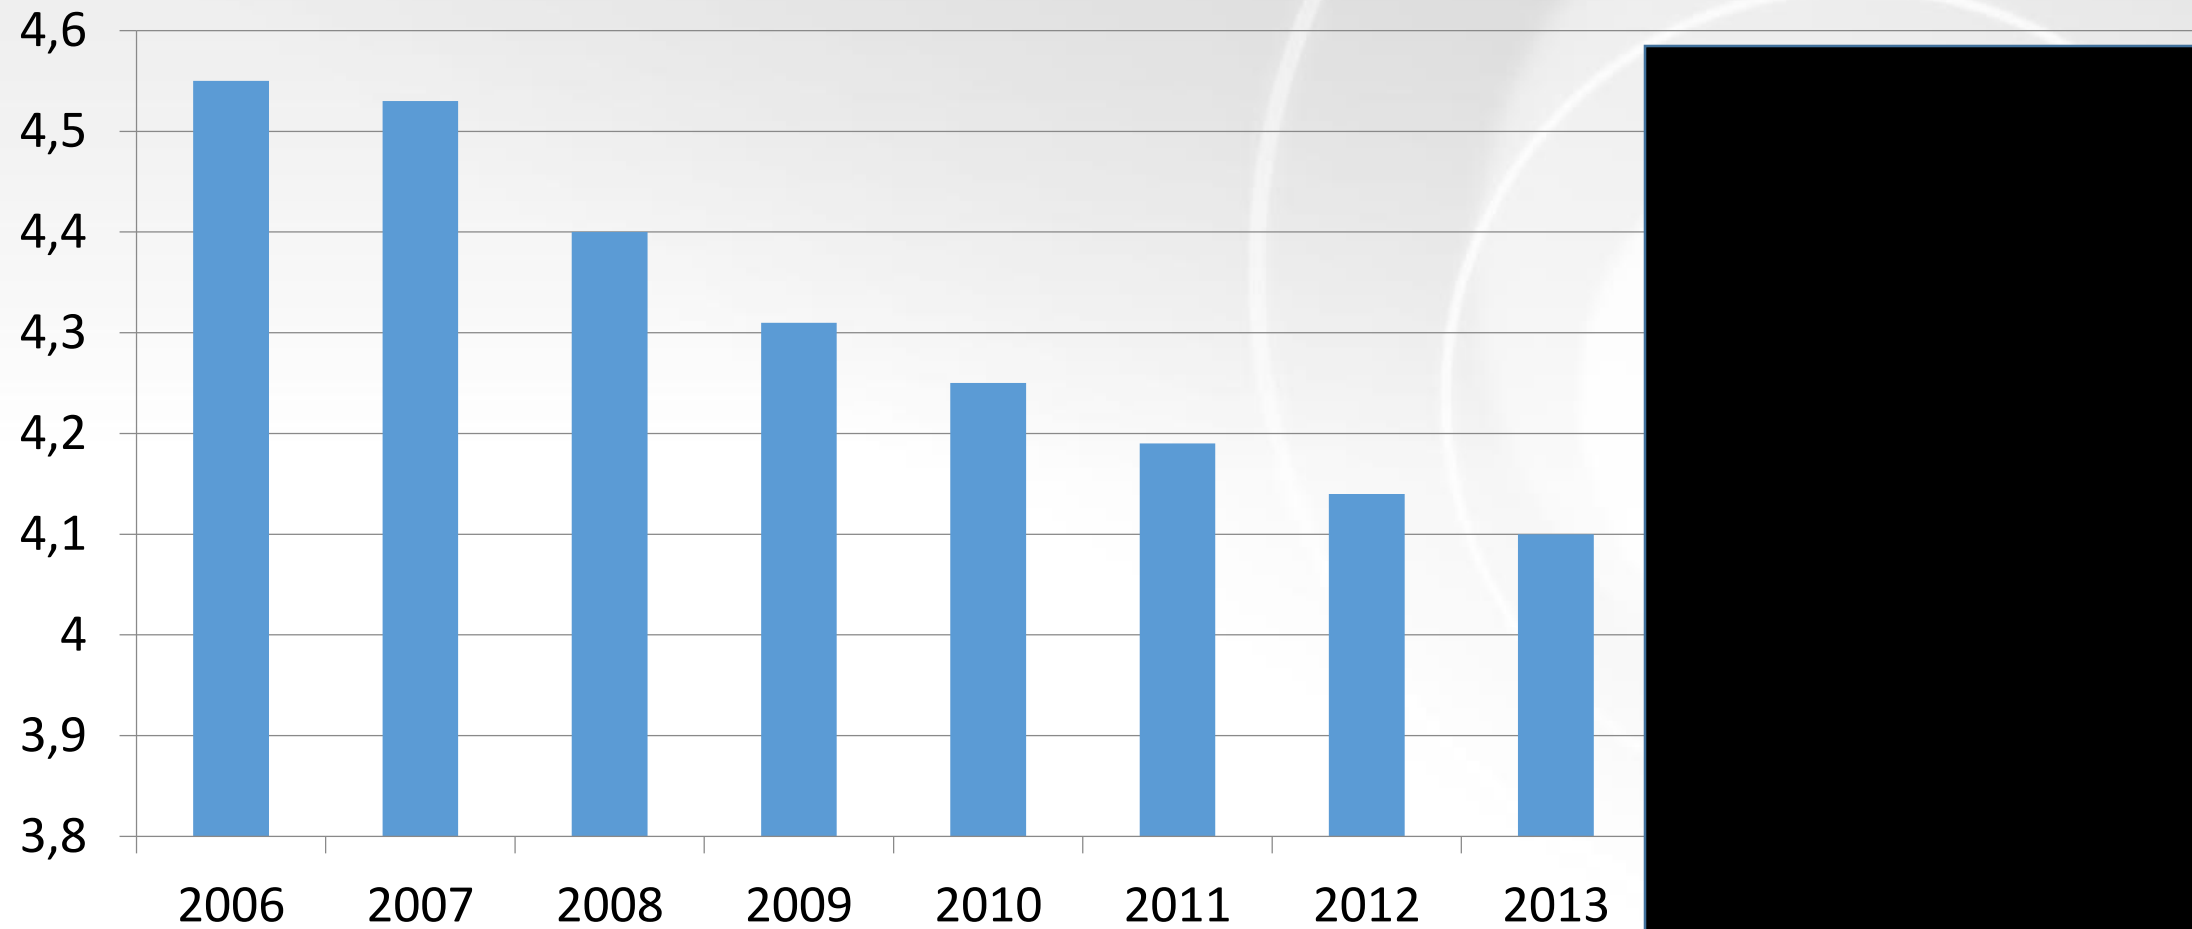

Michal Ivantysyn

ITAPA International Congress/ 14th November / Bratislava

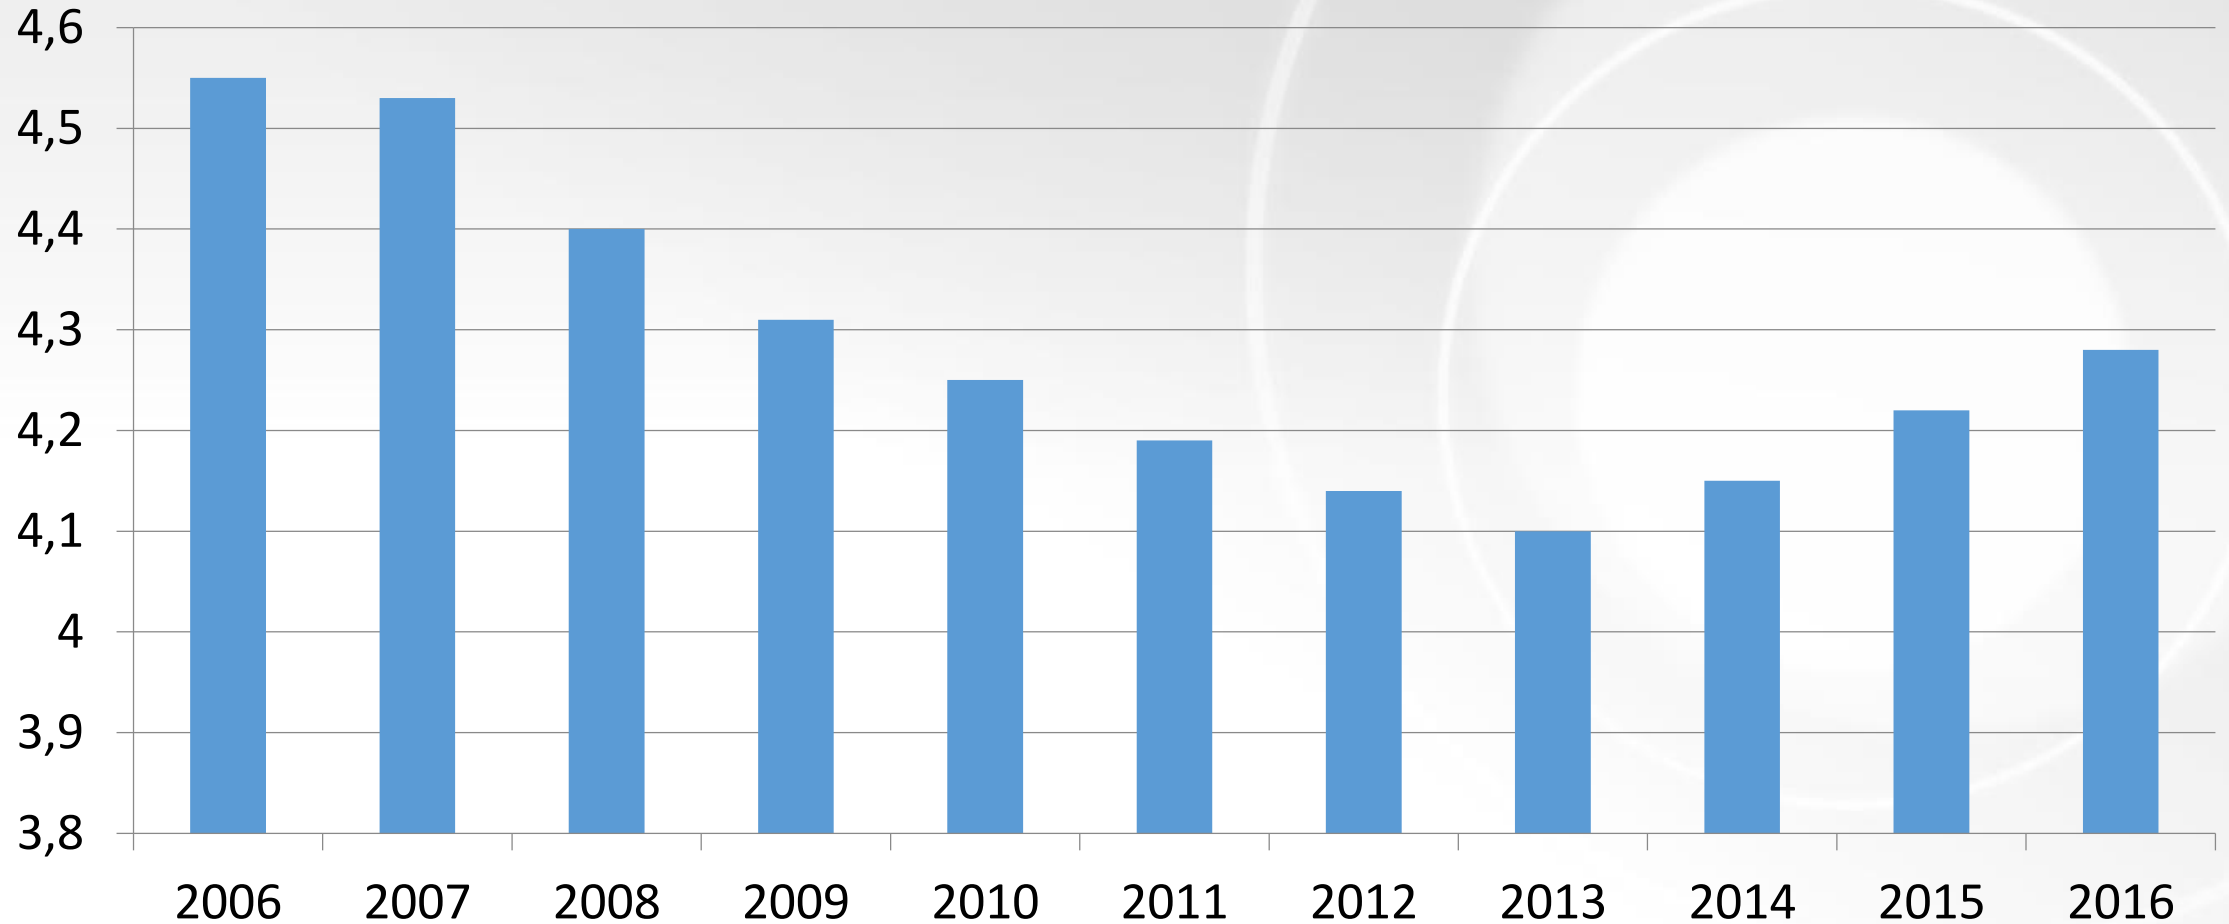

# SK Global Competitiveness Index

# SK Global Competitiveness Index

# SK Global Competitiveness Index

# SK Global Competitiveness Index – subindexes

Health and primary education: 6,0

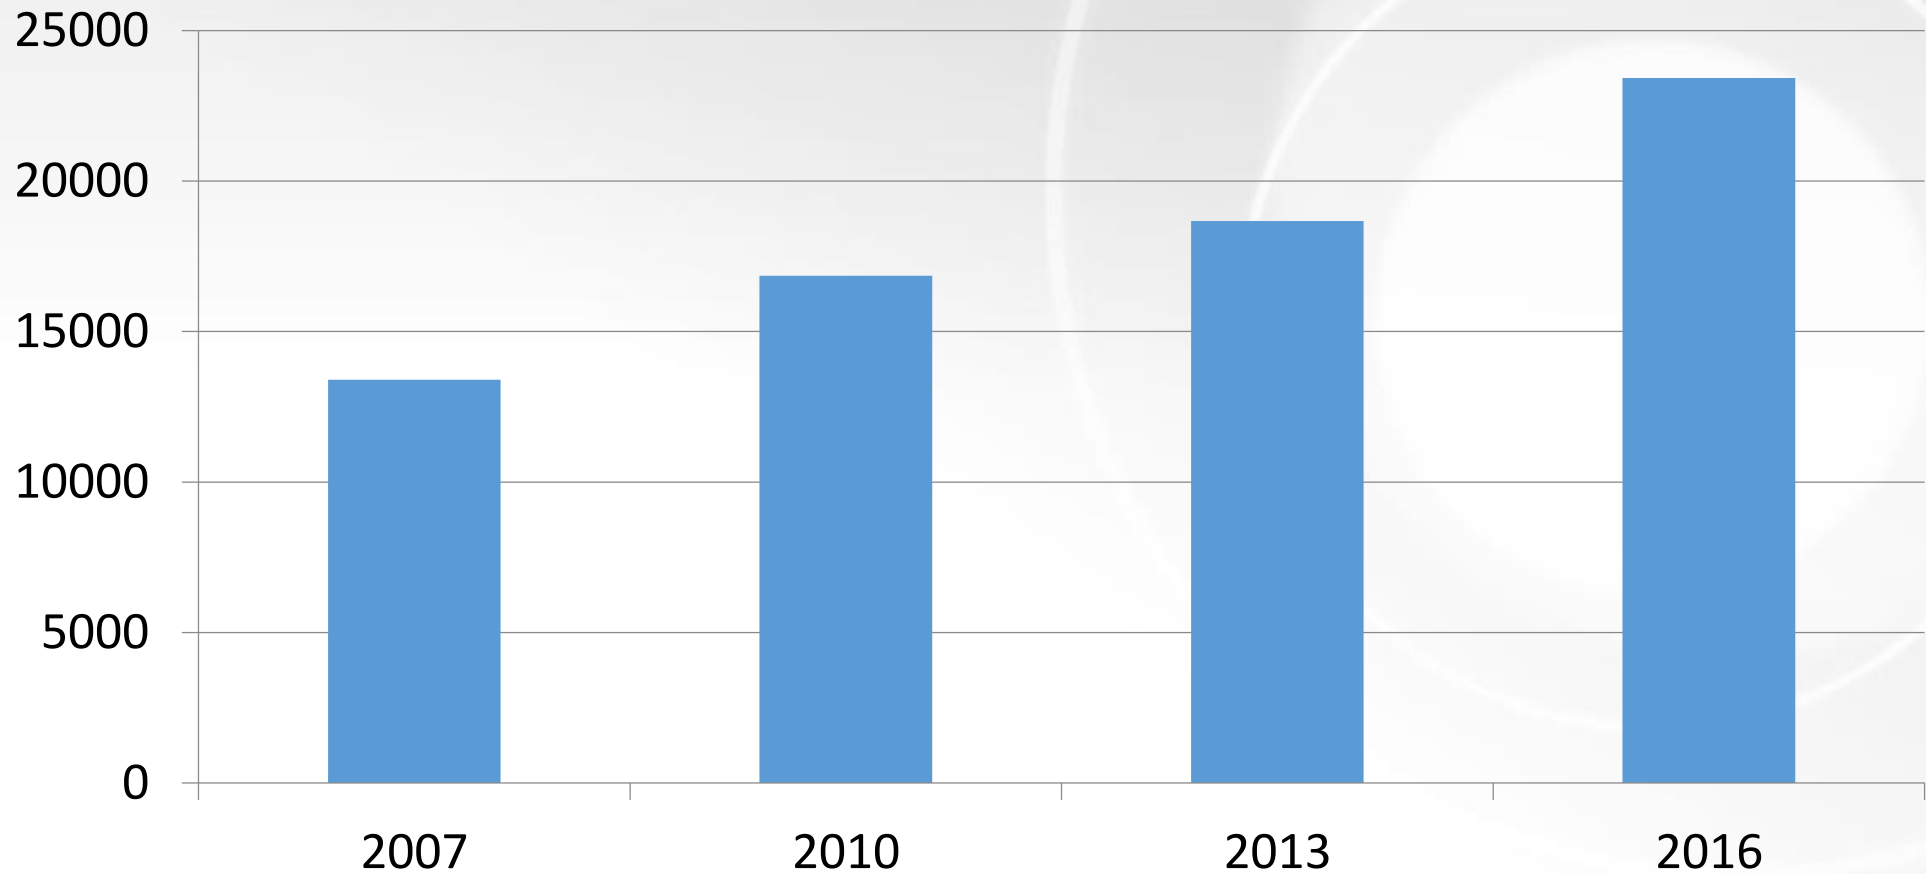

Macroeconomic environment: 5,2

Infrastructure: 4,3

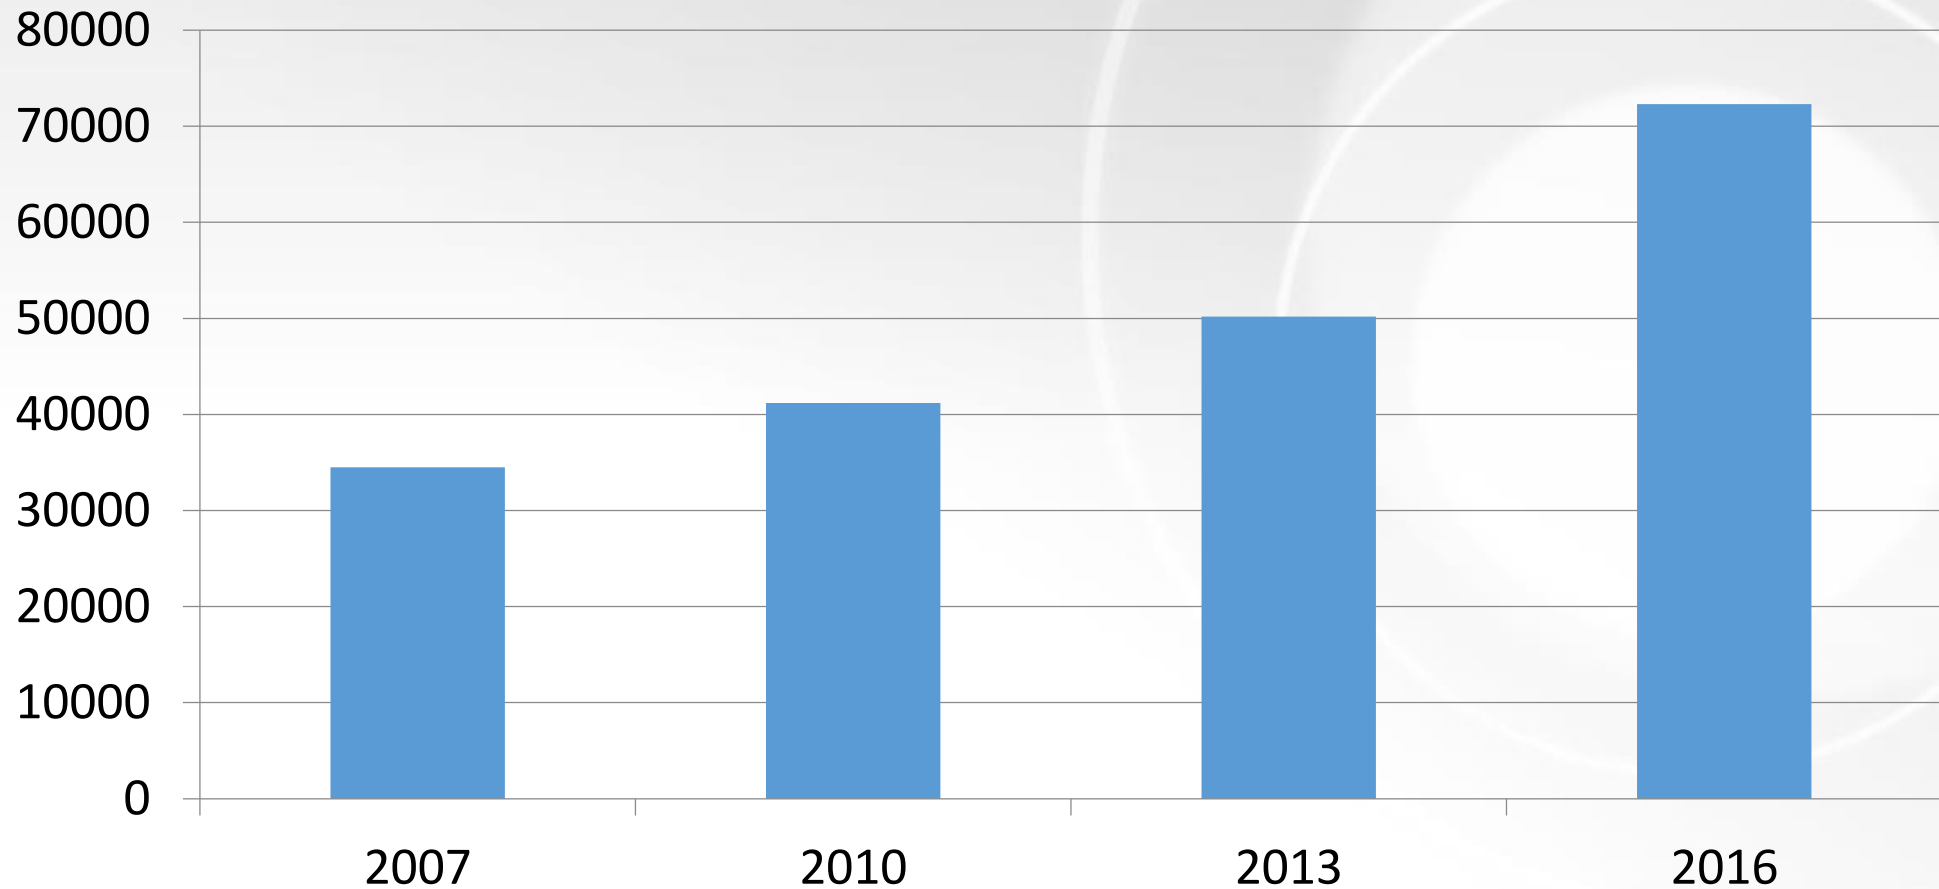

Institutional efficiency: 3,4

# The word count of the law on accounting in Slovakia

# The word count of the Public Procurement Law in Slovakia

Institutions in Slovakia are governed by  
Parkinson's law

The complexity of public administration  
is the major inhibiting force in  
government efficiency

**Can we make IT easy using IT?**

The background features a series of concentric, light gray circles on a white background, creating a subtle, modern aesthetic. The circles are centered on the right side of the frame and fade out towards the left.

# Thank you!
