Marek Kuchta
CEO EDYMAX
HOLDING

Client satisfaction is our goal EDYMAX Holding

- TQM Implementation / KAIZEN
 - for us TQM is not only system, for us is TQM creed and commission
 - we consider our work as well-done only when our clients and also employees are satisfied and successful. Satisfaction with our services is most accurately documented by the increasing number of worked hours at our clients
- Process oriented company
- Owners of certificates:
 - ISO 9001, ISO 14 001, OHSAS 18 001

**We are satisfied, when you are successful.

EDYMAX Holding
presents Best Practice

SKILL CENTRE
our Added Value

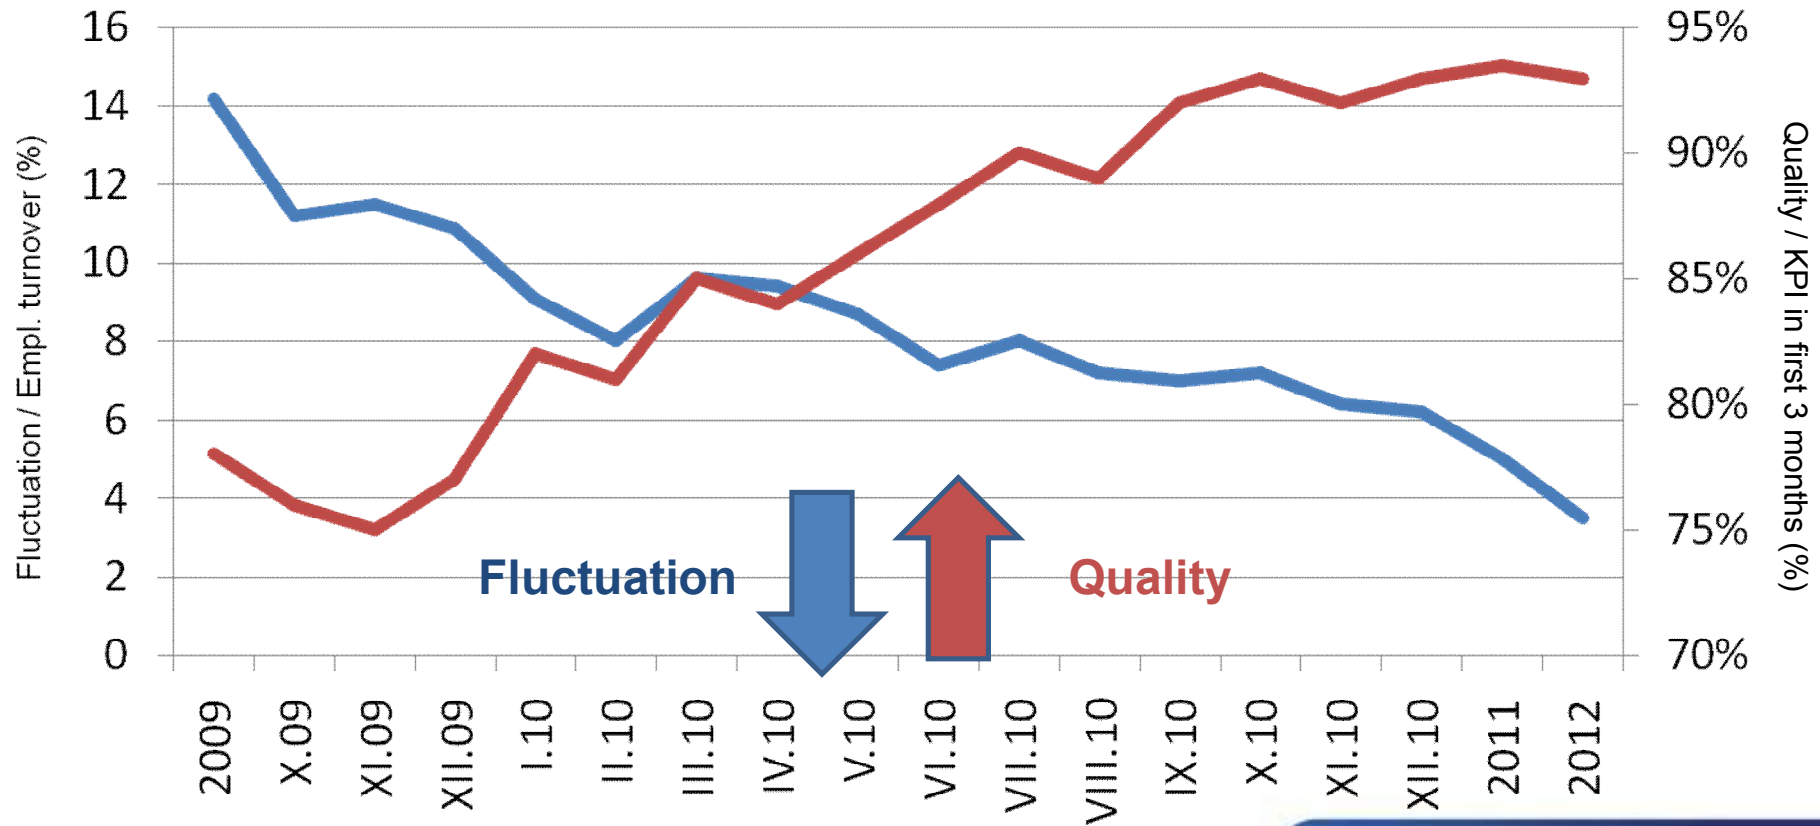

Expectations

Fighting for high performance decreasing fluctuation

Workforce fluctuation / turnover development vs. quality

EDYMAX Skill Center

How it works

- From the applicants we choose suitable candidates for work in individual production factories, we provide them with information about the offered work
- In EDYMAX Skill Centres we simulate real client work processes to target proper workers
- Our Skill Centres are certificated by clients, all inspection is under application employer
- We are able to provide any kind of Skill centers for diferend kind of profesion

Why Skill Centres?

- Fulfilment of client and worker expectations
- Skilled and tested workers
- Highest efficiency in production
- Lower employee turnover (in first 3 months)
- Competitive advantage
- Save costs!
