Recruiting

Ako na to?

**A prišiel
správny čas**

**Náš cieľ:
Expertíza
v digitálnej podobe**

**Na prvom mieste
je človek**

**Aké je Vaše jedno jediné
želanie v náboře?**

**Aké je Vaše jedno jediné
želanie pri hľadanií jobu?**

**Chceme pravdivé
informácie**

The Stellar Beam (ARP)

Your Advanced Research Platform (ARP) transforming Human Resources and Enterprise Resource Planning with help of AI and our years of experience.

How does it work?

1. Upload your Job Description
2. Enhance with JD Assistant
3. Match leading candidates
4. Review their CVs with CV Assistant

[Start with Match Assistant](#)

Ready to match?

Discover leading candidates for your position by analyzing your talent pool.

1. Begin by defining the Job Description (JD) you wish to use for matching.
Encountering issues with your JD? Utilise our [JD Assistant](#) for help.
2. Examine the search terms we suggest.
3. Proceed to match candidates with the job description.
