Cost saving potential: sending e-invoices

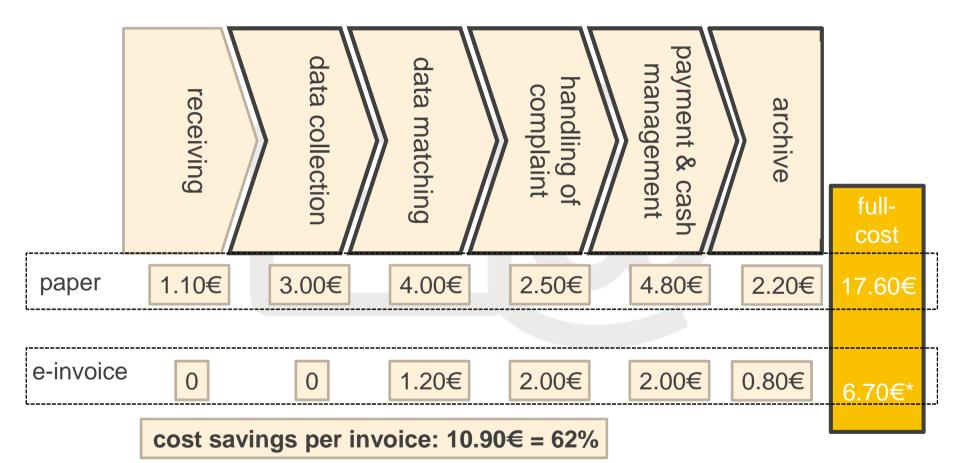

cost savings per invoice: 6.40€ = 57%

source: Billentis

Cost saving potential: receiving e-invoices

source: Billentis

Benefits of the sendhybrid solutions

Traceability of sent documents in the Transaction Portal

100% security & proof of delivery compared to e-mail

Free electronic signature as evidence of the written form

Mailboxes can easily be branded

Complete electronic process (in and out)

Various reminder functions in the mailbox

Representation / mandates

We give prominence to the recipient – rather than to the sender

Document preparation as usual

All electronic channels in Austria are addressable

Electronic payment

Transaction costs instead of permanent licence costs

Multilingualism
Supplier activation (e-invoice)

Instrument for customer retention & high potential product

Smart for 2!
