**Doprava stojí, ale riešenia existujú.**

Nemôžeme meniť infraštruktúru.  
Môžeme meniť spôsob jej využívania.

A wide-angle photograph of a busy city intersection. In the foreground, a red SUV is driving towards the camera. To its left, a white car is partially visible. In the background, several other cars are moving through the intersection. Traffic lights are mounted on poles, with some showing green lights and others red. A building with several advertisements is visible in the background. The sky is overcast.

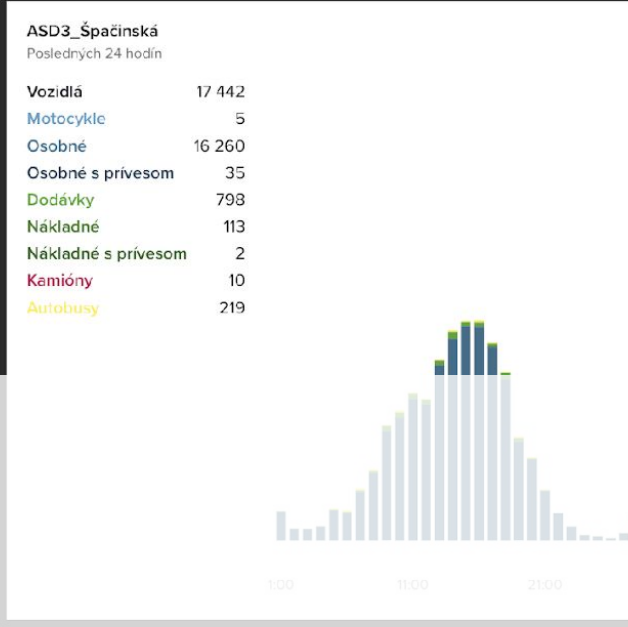

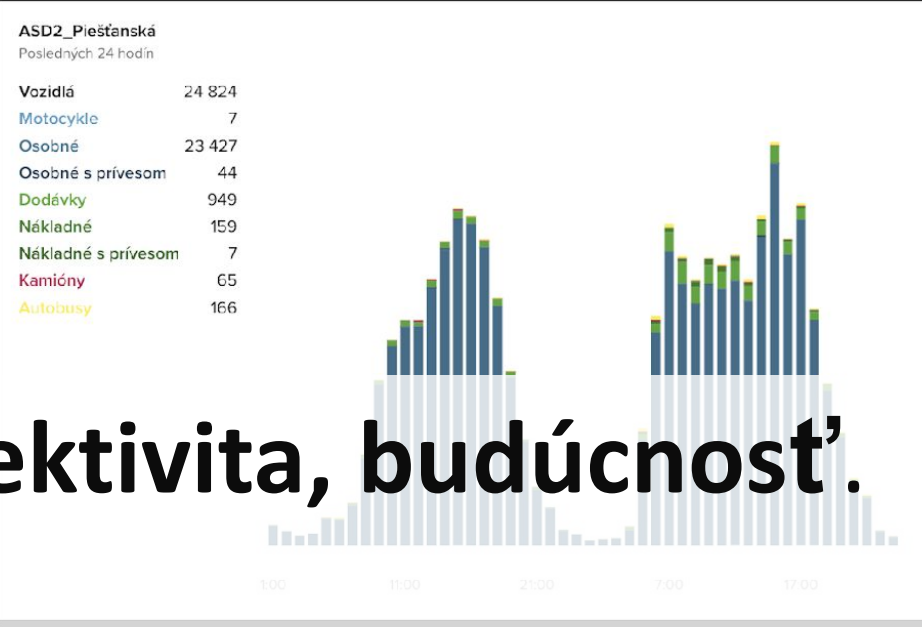

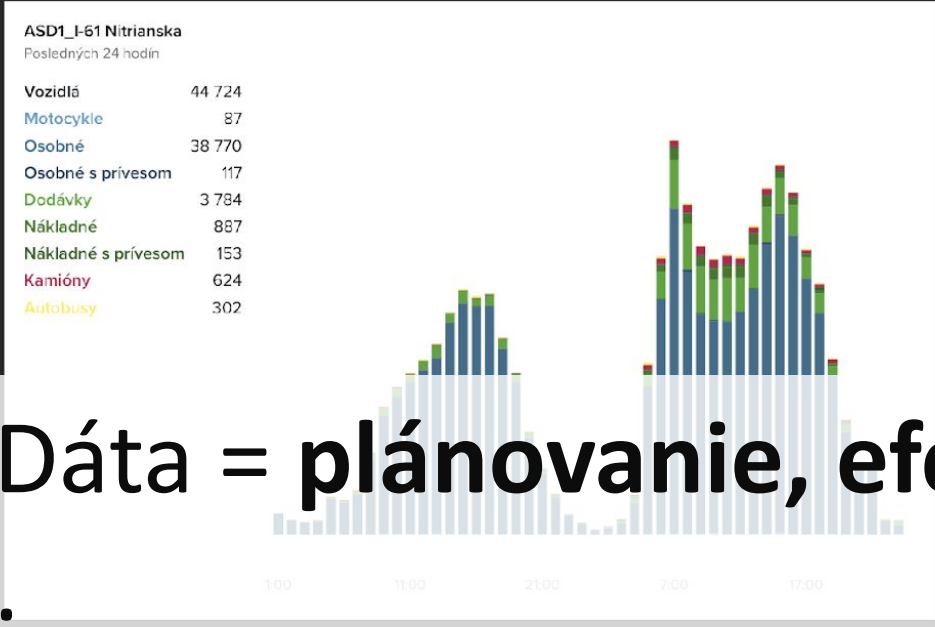

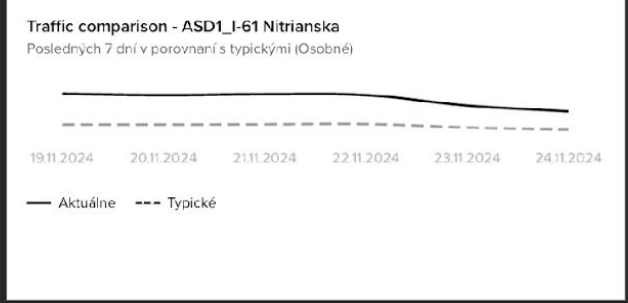

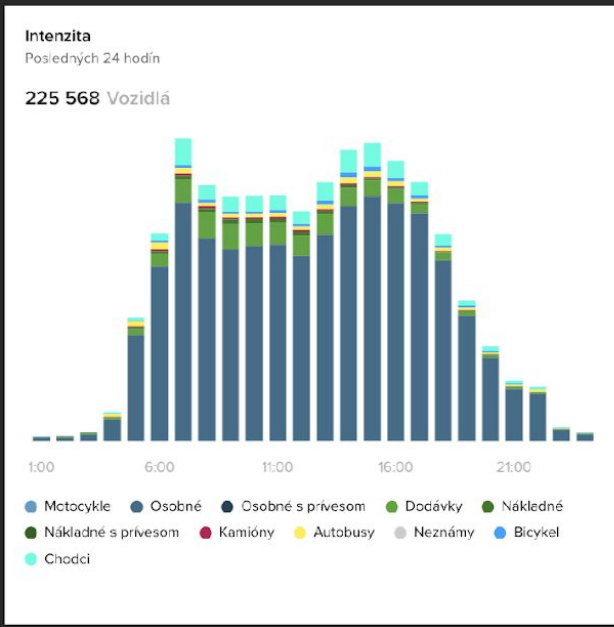

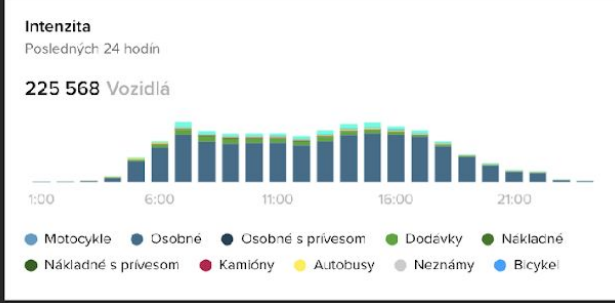

**Technológie, ktoré robia dopravu plynulou.**
