The screenshot shows the Google Apps Status Dashboard in a browser window. The page title is "Apps Status Dashboard". Below the title, there is a navigation menu with links for Solutions, Products, How it works, Get started, Customers, and Support. The main content area contains a heading "Apps Status Dashboard" and a paragraph explaining that the page offers performance information for Google Apps services. Below this, there is a table with columns for "Current status" and dates from 12/29/11 to 1/4/12. The table lists various Google Apps services, all of which show a green dot indicating 100% uptime for the period shown.

This page offers performance information for Google Apps services. Unless otherwise noted, this status information applies to consumer services as well as services for organizations using Google Apps.

Check back here any time to view the current status of the services listed below. For all other information or to report a problem, please visit the [Google Apps Help Centers](#).
