# FUPOL: Leading ICT solution for policy design and implementation

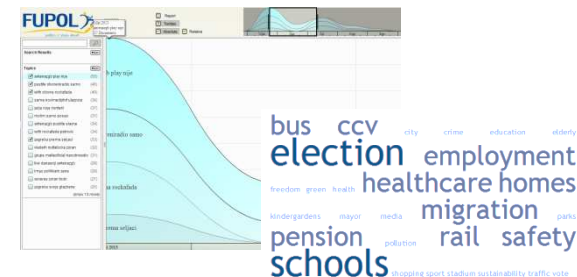

- Results of a large scale EU Research Project  
*- 9 Mio Budget, 16 Partner*
- Target Group:  
*Smart cities, regional and national government institutions*  
*Politicians and political parties*  
*Companies involved in large infrastructure projects*
- Localised and supported in Slovakia through our partner Exdwarf  
[www.exdwarf.com](http://www.exdwarf.com)

# FUPOL: Leading ICT solution for policy design and implementation

- FUPOL is a package to support policy design and implementation
  - *Software tools*
  - *Implementation Guidelines, e. g. Social Media Guidelines*
- Features
  - Analyze social media  
(find out new topics, identify opinion leaders, 24/7 monitoring and alerts..)
  - Communicate effectively with citizens and stakeholders through electronic means  
(E-Participation, campaigns, opinion maps, large scale e-surveys, ...)
  - Impact simulation of policy changes (what will happen, if... )

# Proven solution – supported by major institutions

Zagreb (Croatia)

Skopje (Macedonia)

Yantai (China)

Pegaia (Cyprus)

Mtwapa (Kenya)  
with UN-Habitat
