

ITAPA 2025

INSPIRING CHANGE

24 YEARS of Innovation and Quality

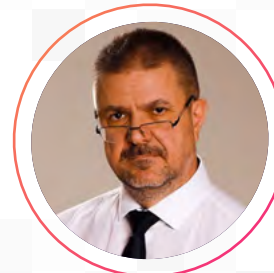

With more than 24 years of tradition, we bring the most up-to-date topics, world-class speakers, and cutting-edge networking that connects the IT sector with public and government institutions.

The topics of our events include

- • • digitalization of public and state administration
- • • cybersecurity
- • • healthcare of the future
- • • technology trends
- • • digital transformation
- • • artificial intelligence

Ivan Makatura
President of the
Cybersecurity Association

“ITAPA is the leading and most recognized IT conference in Slovakia, consistently delivering top quality and maintaining strong brand recognition.”
