100+
employees

Slovak company

Founded in 1999

Mobile Sales

- Calendar
- Interactive Map
- Multimedia
- Call tracking
- Contact Integration
- Inventory list
- Barcode & QR scanning
- Business card scanning
- Electronic signature support
- ...

Inspections

- NOT just digitizing paper forms
- Guidance to your team
- Optimize processes
- Decrease labor cost
- Safety/Compliance

Routes

- Keep up with your staff in real time
- Look into past of the future
- GPS tracking without any additional hardware
- Personal route planner and more
- Fast and effective planning

Thank You!
