Home / Vejle Hospital

Vejle Hospital

Vejle and Give Hospitals are run by the same management. Vejle Sygehus is the main hospital of the county. Highly specialized functions with only one location in the county will most likely be found here.

- Big enough to get far ... small enough to do it well.

Welcome to My sundhed.dk
 As citizen you are able to design your own homepage on sundhed.dk. Some citizens will already be able to use services that contain health data – that is electronic information on your interaction with the health services.

Kvalita liečby
Kvalita života

Náklady

- Komunikácia s pacientami a ďalšími zdravotníckymi pracovníkmi
- Podpora rozhodovania
- Prístup k aktuálnej informácii o zdravotnom stave pacienta
- Kontrola dodržiavanie predpísanej medikácie
- Výsledky vyšetrení
- Predošlé vyšetrenia/liečba

Inšpirácia pre Slovensko

- Štandardizácia v zdravotníckej informatike
 - Program Svetovej banky Technická pomoc
 - IBM riešiteľom úlohy štandardizácia
- Dôsledná elektronizácia
 - Zapojenie max. počtu organizácií (primárna sféra, špecialisti, nemocnice, centrálné inštitúcie)
 - Využívajú sa informácie, ktoré jednotlivé inštitúcie **nevyhnutne potrebujú** k svojej činnosti a **iné ich vytvárajú** ako výsledok svojej činnosti
- Podpora zo strany štátu
 - „osobný“ príklad
 - programová podpora vizionárskych projektov

Aj najdlhšia cesta sa prekonáva krok za krokom
