Corona virus prevention vaccine and cure medication has been secretly developed by
 our medical scientist who's names are meant to remain silent for security reasons. We
 know that the world has been struggling to contain this deadly virus developed and
 sprayed by wicked scientists to reduce the population of the world so the government will
 have control over you. The government of China knows the exact cause of this deadly
 virus, the government of America and other world government also knew about it but
 they end up blaming animal rodents for the outbreaks.
 This corona virus is a weapon created to discredit rivals government health systems or
 the other way to control the citizens of the world but due to some people like us and our
 medical teams hate the injustice going in this world. Our secret medical scientist team
 has developed the cure and prevention to counter this evil act of the world to save lives
 of innocent people around the world. For those interested to secure their lives kindly
 reply and get more information about shipping or delivery to you and private distribution.
